- Everyone should pre-register for training. Knowing how many people to expect helps us plan a better training event. If you don't pre-register, we might not have sufficient handouts or even an instructor for a particular session. You can register for training at the council's web site at www.snjscouting.org. (Select the *Calendar* link at the top of the page, navigate to the date and click the *Leader Training Day* event for more information and to register.
- We are providing beverages (coffee, tea, etc.) and light snacks. If you're staying all day, bring your own lunch!
- Please arrive 15 minutes before your first session. This will give you time to get your bearings, and grab a cup of coffee. Remember - If the first session you signed up for isn't until 10:30, you don't need to show up at 9:00!
- There is a charge of $5.00 per person to defray the cost of copies and refreshments. You can pay online, by mail or at the door.
