Knowledge of Scouting Skills

Place a checkmark in the box that best represents your ability for each scout skill listed. You will use this assessment later in the course as a check sheet to evaluate your progress. Do not under or over rate yourself. Be as honest and objective as possible. **HAVE TAUGHT**—means you have the skills to competently teach this subject to other scouts. **COULD TEACH**—means you have knowledge of the skill but have not yet taught the skill. **NEED HELP**—limited knowledge of the skill, want to learn more or never taught. Use open boxes to add additional skills.
