"**This was the most well-prepared and well-executed education program I have ever attended…here's a program that makes students live and breathe in a way they never did before."**
-Peter Filichia, Theatre Critic, Newark Star Ledger and TheaterMania.com

"Speaking for myself, the parents and kids, we thoroughly enjoyed the workshop and of course the musical as well. I was very skeptical of the workshop when I found out it was NOT a purely dancing workshop. But, I was THRILLED as to how interesting, informative and fun it was for our dance team. We would do it once a year if it was handled just the same for a different musical at the Orange County Performing Arts Center. This area is saturated with dance teams that I know would love it as well. And, I would help you with local studio names to support it. Looking forward to a StudentsLive workshop every year."
