Can Lion Cubs attend camp?

If your Scout is a Lion Cub for the 2015-2016 Program year and will be a Tiger Cub for the 2016-2017 program year, then the answer is: YES! This is because the Scout will be considered a Tiger Cub effective in June. These Scouts are encouraged to participate in the Tiger Twilight Programs and Cub Scout Day Camp. Please remember that Tiger Cubs are required to have a parent/guardian participate with the Scout.

Online Payments Reminder

Registrations prior to May 15, 2016 will not require an online payment at time of registration; when on the checkout page, select Mail/Offline as the payment option and you will be able to print a receipt and mail/deliver your payment to any Garden State Council Scout Resource Center. *(Please remember to enclose a copy of your receipt so that your payment is credited properly)*

After May 15, 2016, payments will be required online in order to save your registration.
