

Campership Application Instruction Sheet

2019 Camp Season

General Information

- All information will be kept confidential.
- All applications must be received at either office of the Garden State Council, or received via mail at the address below no later than the close of business (5:00pm) on **March 31, 2019**. If mailing your application, please allow time for delivery.
- All questions on the form must be completed and should be typed or printed clearly. Incomplete/unclear applications may not be considered.
- Camperships are neither transferable nor refundable and have no cash value. Only one campership for each youth member is awarded for a calendar year.
- If the space provided is not adequate to provide all information you believe is important, please attach a separate paper.
- After receiving the campership and attending camp, it is recommended that the Scout send a thank you letter to the Council Campership Committee Chairman, Garden State Council, 693 Rancocas Road, Westampton, NJ 08060

Instructions

1. **Scout & Family Information.** This section identifies the Scout. A separate form should be submitted for each Scout should there be multiple Scouts in the family seeking camperships.
2. **Family Needs.** Please describe the circumstances, including financial matters that require campership assistance for the Scout to attend camp.
3. **Unit Information & Endorsement.** This section helps give the Campership Committee a perspective of the Scout's participation in the unit. Attendance, scout spirit, participation in fundraising events, and the effort the Scout puts forth helps give a clear perspective of the Scout's attitude towards the Scouting program. In many cases, the unit may be aware of the financial needs of the Scout, and confirmation of this fact, or further explanation is helpful. Please do not merely repeat information already provided.
4. **Summer Program.** This section enables us to identify in which camp/program the Scout will be participating to ensure any Campership award gets credited appropriately.
5. **Campership Request.** This section helps determine the ultimate campership request. Please remember that camperships are not guaranteed, and it is possible that only a partial campership may be granted. The amount of the campership awarded will be based on financial need as well as the amount of funds available to be awarded and, therefore may not be for the full amount requested. As a general rule, camperships granted are rarely more than half of the camp fee. Camp fees used in calculations are based only on the most discounted fee. If applying for multiple camperships for either multiple Scouts in a family, or for a Scout to attend multiple Scouting programs, please complete separate applications for each.
6. **For Council Use Only.** This section will be completed by the Council Campership Committee.

Please mail applications to:

Garden State Council, BSA
Attn: Campership Committee
693 Rancocas Road
Westampton, NJ 08060
