**WHAT IS THE LION PROGRAM?**

The Lion program is a family-oriented Scouting program.

A boy in Kindergarten and his parent, or caring adult partner, join together.

A group of 6-8 boys make up the Lion den, meeting with their adult partners approximately twice a month. The den has fun participating in den meetings, activities and outings while making lasting memories together!

The Lion pilot encourages boys to learn and explore through hands-on, high-energy activities. Adult partners take turns leading a den meeting or outing during the year.

Most meetings last 45 minutes to an hour, outings may be slightly longer.

The uniform features a Lion T-shirt and cap.

The boys are recognized for their accomplishments as they work toward the Lion badge.

The Lion badge is earned by completing five adventures which are explored during den meetings and outings.

After each adventure is completed, a sticker is awarded to the Scout to put in his *Lion Adventure Book*!

*Cub Scout Packs also offer programs for boys in first through fifth grade! Older boys can become a Tiger (1st), Wolf (2nd), Bear (3rd), or Webelos Scout (4th/5th)!*
