

# GARDEN STATE COUNCIL BOY SCOUTS OF AMERICA

## Winter Camper Award

Looking for some winter adventure? Want to earn a patch while you do it? Then the Garden State Council Winter Camper Award is for you! This award is available to any member of a Troop or Crew who does the following:

1. Each Scout must spend four nights camping under canvas or out in the open between December 1 and March 31 of one winter. The four nights need not be consecutive, and may be accomplished with several camping trips. These nights must be part of a Troop, Patrol, or Crew activity (or a combination of events from the three units).
2. During the camping trip for which credit is given, participants must sleep under canvas or under the open sky, and must spend most of their time outdoors. Camping done in cabins cannot count for this award!
3. The camper applying for the award must prepare or assist with preparation of at least one cooked meal outdoors. This can be cooked over wood, charcoal, or chemical fuel fires.
