# Help Us Fund Adventures with SunPower

SunPower has teamed up with Garden State Council to offer our Scouting unit an easy way to fund adventures through no-risk customer referrals!

## SUNPOWER®

When you sign-up for a no-risk info session of SunPower's residential solar solutions, our Scouting unit will receive a referral fee that we will put toward our outdoor adventures.

## How it Works

Scan the QR code or follow the custom link to the SunPower sign-up page.

Be sure to include our unit type and number in the form when registering, so we get the credit:

### Use This QR Code

*This QR code will lead you to a website where you can sign up for a consultation and to learn more about SunPower's solutions.*

### Or This Link

**<https://go.sunpower.com/partner/boy-scouts/>**

*This custom link will also lead you to the sign-up page. Remember to tell SunPower the Scouting unit that sent you.*

**Thank you for supporting Scouting!**
