GARDEN STATE COUNCIL

# Fund More Adventures in 2023 with SunPower

SunPower has teamed up with Garden State Council to offer our Scouting units an easy way to fund adventures through no-risk customer referrals!

## SUNPOWER®

Earn \$100 for each customer who receives a consultation of SunPower's home solar solution. Earn an additional \$150 for each consultation that becomes a paying customer!

## How it Works

Potential customers use the custom link or QR code to schedule a consultation.

When they schedule a consultation, they include your unit type and number so you get the credit! Ex: Troop 2048-G

Use This QR Code

*This QR code will lead potential customers to a website where they can sign up for a consultation of SunPower's products.*

Or This Link

**<https://go.sunpower.com/partner/boy-scouts/>**

*This link will also lead potential customer to the sign-up page. Remember to give your customers your unit type and number! Ex: Pack 1056, Troop 2048-G, Crew 4385, etc.*
