TRADITIONAL PRODUCTS

Why was the regular Caramel Corn discontinued?

Statement from Trail's-End

We watch consumer trends in the US retail market and consumption of Kettle Corn far exceeds Caramel Corn.

Plus, consumption of Kettle Corn continues to increase while Caramel Corn is declining.

Kettle Corn is a sought-after, desirable flavor for consumers and a larger bowl fill versus the regular caramel corn offered last year.

We will continue to offer Salted Caramel Corn, one of the most popular flavors in the caramel corn category.
