

Membership Accelerator May 21, 2023 My.Scouting Tools

The goal of this session is to provide unit leaders with the information needed to effectively use the tools available on my.scouting.org, to help grow their units.

My.Scouting.org Tools

- Key 3 of each unit has access to these tools.
- Key 3 of the unit can designate up to three registered people in their unit, to also have access.

Beascout.org

- Where do people go to find your unit?
- Updating your PIN is important in ensuring people find the right information.
- This can be found in the Organization Manager of my.scouting.org.

Organization Manager

- Roster – check your youth and adults, make sure no one is missing.
 - o Scoutbook does not always represent who IS registered.
- Position Manager – Registered Positions and Functional Roles
